Pahokee Hospital Lowers Taxes

Northwestern Palm Beach County Public Hospital Board announced a reduction in the tax millage for the year 1959. The Board, which operates the Everglades Memorial Hospital, Pahokee, has just completed its new budget which results in the lowering of the tax millage from 4.5 mills for last year to 3.25 mills for 1959. The last previous tax reduction made in the District, was for the year 1957.

O. H. Sheppard, Chairman of the Hospital Board, stated that the Board was most pleased to be able to pass on to the taxpayers of the District, this much tax relief.

"Last year we had to ask for a small raise, but this reduction more than off-sets it and makes it the lowest millage in the history of our District," he said. "We were able to do this as the result of increased valuation in the District, partially, but primarily to the increased efficiency in hospital operation." "It has been done," he said, "without harm to the Board's continued program of improvement of medical services to the area."

Stricter Driving Rules In Effect

TALLAHASSEE — Drivers who are picked up in Florida while operating an automobile on a cancelled, suspended, or revoked driver's permit, are jailhouse bound for 10 days.

A new 1959 legislative act, which became effective July 1, calls for a mandatory 10-day jail sentence for such violations and leaves the way open for the court to stretch it to 30 days and a \$500 fine.

Under provisions of law which it was amended, violators could be assessed one-day jail sentences by the court.

In addition to the minimum sentence for first offenders, the bill provides for a minimum \$1,000 fine and not less than 30 days nor more than 1 year jail sentences for two-time and subsequent offenders. "The new law puts an important bite into the effort to minimize unlicensed drivers," said Patrol Commander H. N. Kirkman, "and gives the Florida Highway Patrol and the Department of Public Safety a strong set of teeth with which to gnaw away at one of our greatest problems—taking the unauthorized driver off the highway, at least for a little while."

In a traffic regulatory act, the Legislature provided that all vehicles with a passenger load capacity of 10 or more must stop at least 10 feet distance from a railroad crossing unless it is guarded by a traffic officer or a traffic control signal.

The crossing law applies equally to all school buses, a vehicle loaded with any type explosives or inflammables. The act provides a \$10 to \$50 fine or not more than 30 days in jail for violators.

The law becomes effective October 1.

Mr. and Mrs. James P. Vann flew to Chicago Saturday where they will attend the National Elks Convention. They plan to be away about a week.

Many Attending M. E. Youth Camp

Intermediates from Pahokee First Methodist Church attending the Methodist Youth Camp in Leesburg this week are: Willola Tyson, Dottie Lair, Elaine and Mary Lee Adams, Jan Plumer, Betty Jo Phillips, Billy Boe, Roger Simonson, Lonnie Phillips, Tommy Collier, John Cruthird and Mead Maxwell. The group was accompanied to the camp by Mrs. J. L. Tyson, Mrs. Hugo Boe and Mrs. W. S. Plumer, who took them up in cars. Mrs. Boe will spend the week with her parents, Mr. and Mrs. C. E. Mitchell in Winter Haven.

Highway Patrol Has Busy Period

TALLAHASSEE — The Florida Highway Patrol investigated 13 per cent more highway wrecks during the first five months of this year than for a comparative time last year, but the death toll in those accidents went down 11 per cent.

Commander H. N. Kirkman said that state troopers investigated 10,285 wrecks during the January-May period this year in which 217 were killed. For the same time last year, they investigated 9,127 accidents in which 244 died. Figures include only activities of the patrol.

Troopers made 46,273 arrests, a nine per cent increase over the same five months period last year, and wrote 199,000 warnings or faulty equipment notices.

State Troopers spent over half a million hours behind the wheel during the five months period and drove more than seven million miles.

Two hundred and sixty-six thousand and people took the driver's test; 106,261 passed while 30 per cent, or 160,409 failed.

The weights division continued a watch on trucks with excess loads on the highways. Weights troopers stopped 144,918 found 2,925 overweight and their owners were assessed \$242,089 in penalties.

Safety education troopers went the route in an effort to reach the public educationwise. They made over 1,760 speeches, gave 3,301 safety talks and showed 1,177 safety film.

Stop In Pahokee On Way To Japan

Mr. and Mrs. Edgar F. Shaughnessy of McLean, Va., stopped for a visit with his parents Mr. and Mrs. F. M. Shaughnessy last week while enroute to California where they took passage to Tokyo, Japan where they will reside for two years. They were accompanied by their four children who had been the house guests of their grandparents for two weeks.

BACK TO TENNESSEE

Mr. and Mrs. Browning Roach and family have returned to their home in Maryville, Tenn., after spending several days as the guest of her mother Mrs. J. B. York and her brother-in-law and sister, Mr. and Mrs. James Beardsley and family in Clewiston. They were accompanied on their return by Mrs. York who will spend several weeks at their guest.

County Tax Roll In Billion \$ Class

Palm Beach County's tax assessment roll passed the billion dollar mark this year according to the annual roll which County Assessor James Owens submitted to the County Commission this week. Owens said the current roll represents an increase in assessments of \$64,296,000 over last year and the total property valuation available for extension of taxes this year is \$871,851,575.

Of the total amount, Owens said, a total of \$188,984,000 in property valuations is listed as exempt by homestead exemption. Homestead valuations, the commission learned, are up \$17,814,760 over the figure for last year.

A breakdown of the tax assessments which were certified to the commission, show non exempt real estate, \$778,402,610; non exempt tangible personal property, \$83,418,560; railroad and telegraph, \$10,030,405.

Owens said based on last year's tax levy, the new property valuations should raise about a million dollars more in taxes this year. He explained that of this amount, the school board would receive about \$500,000 and the county board's proportionate share of the increase would be about \$350,000.

The tax assessor said the new roll represented an enormous amount of building and improvement, but in no way reflected an increase in the basis used for determining property values.

Owens pointed out again that Palm Beach County is one of the few in the state which assesses according to state law which provides for true cash value in setting assessments.

Owens said the county's intangible tax roll has been set at \$1,115,600,000 and will produce nearly \$2 million in taxes—all which go into the state's general fund.

Vegetable Group Makes Meet Plans

J. P. Harlike, Jr., Palmetto, general chairman for the 16th annual convention of the Florida Fruit & Vegetable Association, said today that plans for the forthcoming event are well developed. The meeting will be held at Hotel Fontainebleau, Miami Beach, Florida, on September 23, 24 and 25, 1959.

"The theme for the 1959 convention will be 'Agriculture at the Crossroads,'" said Harlike.

"This broad topic will be advanced from the various aspects of growing shipping and merchandising, as well as government regulations and research."

"We have invited a number of distinguished speakers to develop this theme and we have already received tentative acceptances from several. Firm acceptances will be announced as they are received," said Harlike.

Miss Harlene Williams, who has been visiting her aunt Mrs. E. C. Grassick in Phoenix, Ariz., will leave this week for a visit with her grandparents Mr. and Mrs. F. M. Cate Sr., in Asheville, N. C., before returning to her home here.

Cafeteria Course Postponed 'Til '60

Mrs. Jane Lansing, Supervisor of school cafeterias for Palm Beach County Board of Public Instruction, announces that the three weeks course for school lunchroom workers at Palm Beach Junior College has been cancelled for this summer and that the program will be offered in the summer of 1960.

Those who were planning to enroll this summer may contact Mrs. Lansing during the year about the course for next summer. Mrs. Lansing was Coordinator of the school lunch training program at the College.

5,350 Palm Beach Co. Folks Get Aid

Thomas E. Penick, Chairman of District 10 Welfare Board of the State Department of Public Welfare, reported that in Palm Beach County 5350 persons were assisted in the four categories of public assistance for the month of June.

A total of 1698 persons received Old Age Assistance in the amount of \$85,137.00. 83 persons received Aid to the Blind, totaling \$5,040.00. 860 families, representing 2657 children, received Aid to Dependent Children in the amount of \$54,489.00. 175 persons received Aid to the Disabled in the amount of \$9,809.00.

In addition 201 children received service during the month, 104 of whom were in foster homes. The total state and local cost for these child welfare services was \$7,136.45.

There were 4 adoption petitions studied for the Circuit Court. These are children placed in homes independent of service through a licensed child placement agency, and the Welfare Board is responsible according to law to make these reports to the court.

Palm Beach County is also represented on the District 10 Welfare Board by Mrs. Doris Sasser, Pahokee, the Rev. Paul M. Cassen, Mrs. Helen R. Trotter and Mrs. Helen D. Woodward, West Palm Beach.

Sunbeams Will Meet Here July 16

Mrs. J. J. Cater of West Palm Beach announces the Palm Lake Associational Sunbeam Rally to be held at the Community Building in Canal Point next Thursday, July 16. The meeting will start at 10 a. m. according to Mrs. Cater, and all Sunbeams of the Association are urged to be in attendance. There will be mission study classes, games and lunch will be served.

Large Crowd Sees 4th Celebration

Around 4,000 people attended the annual July 4th celebration and fire-works display at Pahokee Harbor Saturday according to an estimate made by Police Chief Leon Guthrie.

Boating, swimming and fishing was the order of the day at the harbor with picnic grounds on the lakefront swarming with picnickers throughout the day.

Pahokee and Canal Point Lions Clubs fed the crowds at a fish and chicken dinner sponsored by the two clubs and entertained them with boatrides on the lake.

Cars were parked 4-deep on the government levee around the harbor which formed an ideal amphitheatre for viewing the fireworks display which started at 8 p. m. A program of patriotic music was presented by Pahokee American Legion Post prior to the fireworks display. Wiley Tillis was general chairman in charge of the celebration which was sponsored jointly by Pahokee Chamber of Commerce and the City of Pahokee. The fireworks were purchased by contributions made by residents of this section.

Rogers Is Named State Society Pres.

Congressman Paul G. Rogers of Florida's Sixth Congressional District has been elected President of the Florida State Society, an organization of Florida citizens who live or work in Washington.

Congressman Rogers succeeds Mrs. Inez Sikes, wife of the dean of the Florida Congressional Delegation, Congressman Robert L. F. Sikes of the Third District of Florida.

Each year the Society holds a Congressional Reception and several social functions in addition to a Princess Ball in honor of the Florida Cherry Blossom Princess who is selected by the Florida Society to represent the State of Florida in the annual Washington Cherry Blossom Festival.

Congressman Rogers stated that he would do his best to continue the fine work done during the past year by Mrs. Sikes, and was hopeful that anyone in Florida with friends or relatives working in Washington would advise them to contact Rogers' office for membership details.

Pahokee Lions Accepts Members

John E. Zimmerman and Theodore B. Wilson were inducted as new members of Pahokee Lions Club at its luncheon meeting Tuesday, Manning I. Keen was in charge of the induction ceremony.

Louis Poole and David Karlbom, both associated with Pahokee Radio Station, WRIM, were inducted as new members at last week's meeting.

Joe Alderman, Jr., delegate to Boys State in Tallahassee, spoke on the activities of the delegates. He was introduced by B. R. Mosley, program chairman. Paul Tillery, president, presided.

Foster Memorial 4 Concerts Daily

WHITE SPRINGS—The 97-bell carillon at the Stephen Foster Memorial here will be heard in four concerts daily throughout the Summer. Foster L. Barnes, director of the state park on the Suwannee River, said today:

The concerts on the world's largest set of tubular bells are scheduled at 8 a. m., noon, 3 and 4:30 p. m., seven days a week.

"Each concert runs from 20 to 25 minutes, except that the Sunday noon program is about twice as long because it includes religious songs as well as Stephen Foster numbers," Barnes said. "In addition to the four daily concerts, the Angelus is played every evening at 6 o'clock."

With proper atmospheric conditions, the music from the 200-foot bell tower can be heard several miles beyond the limits of the 243-acre park on the Suwannee River.

While the programs feature melodies written by Foster, the only composer in the Hall of Fame, there also are patriotic, religious, folk- and semi-classical numbers which are widely known and loved by visitors to the park, Barnes said. A favorite program, often played, is made up of "Dixie" and of the alma maters of all Florida colleges and universities.

Regular programs originate with the automatic electric player, but there is a handsome console in the marble auditorium of the tower for use of visiting carillonists.

"Reflecting the growth of Summer tourist travel in Florida, July and August are generally our two heaviest months of attendance," Barnes said. "About 40 per cent of our registrations are from Florida and Georgia, but several other states farther north on U. S. 41 also contribute heavily to our crowds."

Addition of the Suwannee River boat ride, the Conestoga wagon tour and the carillon tower to the list of attractions has greatly increased interest of visitors in the park, which is the State of Florida's tribute to the composer who immortalized the Suwannee River with his masterpiece "Old Folks at Home." Barnes said that nearly two million people have visited the beautifully wooded park since it was opened to the public in October 1950 with the Foster Museum as the central attraction.

"Cars from 49 states and several foreign countries have come through the Memorial gates in recent weeks," the park director said. "We are watching now for a license tag from Hawaii. The last time we had a Hawaiian car, it represented a territory, not a state."

Mr. and Mrs. Duncan Padgett have returned from Chiefland and Tampa, Florida. They were accompanied on their return by their grandchildren Duncan and Suzanne Padgett of Chiefland and Frankie and Elaine Garcia, of Tampa and Pattie Watson also of Chiefland, who are their house guests.

Untagged Feeds May Be No Good

TALLAHASSEE—Florida dairymen and cattle ranchers were advised today, for their own protection, to purchase only livestock feeds that were labeled with a guaranteed analysis tag by Commissioner of Agriculture Nathan Mayo.

Mayo reported that there were a number of instances, particularly in the northern and western sections, where out-of-state truckers were bringing in mixed feeds that were untagged for sale at a price cheaper than labeled feeds.

"While the farmers are paying a cheaper price for such feeds," said Mayo, "they are also finding out that the feeds are deficient in certain materials, they are often short-weight, some have detrimental substances in them, and they are not doing the job they were made for."

Florida law provides that feeds that aren't registered or labeled may be put on a "stop-sale" when they are in the stores, but no provisions have been made for a "stop-use" after they reach the consumer.

Mayo stated that the best way consumers could protect themselves from inferior feeds would be for them to turn down unlabeled feeds and demand feeds that show a guaranteed analysis tag or label. Such a tag is a usual indication that such feeds are registered with the Department of Agriculture.

The major protection from purchasing labeled feeds comes from the fact that livestock men receive penalty payments for deficiencies and or short weights.

The Department's inspectors have been unable to make cases against such illegal operations for often there is no proof of the sale since purchases are often by cash and the buyers refuse to offer evidence against the salesmen.

"The purpose of the Florida feed law is to protect the consumers, but this can be done only if the consumers comply with the law and purchase only those feeds registered and labeled for sale in Florida," added Mayo.

The Rev. and Mrs. Clara S. Hall and daughter Susan attended the annual picnic and party for Methodist ministers of the West Palm Beach district and their families at the First Methodist Church in West Palm Beach Tuesday.

Rev. and Mrs. J. B. Tripp, of Orlando, were the weekend guests of Mr. and Mrs. Jim Mizelle. The Rev. Tripp, a former pastor of the Church of the Nazarene in Pahokee, is now retired. For the past two weeks he has been supplying a pulpit in West Palm Beach while the pastor is vacationing.

Mr. and Mrs. Louis P. Vann and family have returned from a visit with relatives in Georgia, and Jacksonville. The Vanns also had as recent guests their daughter Mrs. David Branch and son David of Jacksonville.

Florida Packing Houses Are Busy Cattle, Hogs, Sheep

Cattle, hogs and sheep, numbering together 1,037,300 animals were slaughtered at Florida packing houses last year and made a combined volume of 430,179,999 pounds of meat, live weight.

From 1953 through 1957, red meat production for slaughter in Florida has been increasing. Last year's volume, however, turned back to about the 1953 level, the Florida State Chamber of Commerce said yesterday.

Drops in slaughter volume of cattle are expected at intervals, the State Chamber pointed out, resulting from a combination of forces related to markets, competition and the desire of producers to either cull or build up herds. Compared to 1957, cattle slaughter dropped 15 per cent and calves 29 per cent last year. Hogs and pigs were only slightly down.

Making up the 1958 slaughter volume were 343,000 cattle weighing 276,701,000 pounds; 160,300 calves weighing 42,246,000 pounds; 532,500 hogs and pigs at 111,229,000 pounds and 1,500 sheep at 102,000 pounds.

By the end of last year, cattle numbers in Florida were up 4 per cent, totaling 2,011,000. Hogs and pigs numbered 434,000, a 19 per cent gain.

Ichthyologist Has Fun With Sharks

SARASOTA—Dr. Eugenie Clark, "a marine specialist who looks like a college girl," is featured in the July 4 issue of the Saturday Evening Post as "The Lady and The Sharks."

Dr. Clark, a 37-year-old, 115 pound ichthyologist, is director of the Haze Marine Laboratory at Placida, Florida. Dr. Clark thinks nothing of skin diving in shark-infested waters to carry on her research into the living habits of the world's most feared fish.

Part of this research concerns a substance found in shark liver which may inhibit cancer in human beings.

Author of the article is Florida writer and magazine publisher William M. Stephens. Stephens publishes the popular Florida Outdoor magazine and is a regular contributor to Saturday Evening Post. He is a past president of the Florida Association of Magazine Publishers and is active in the Florida Outdoor Writers Association.

Mr. and Mrs. W. M. Weathers and family are vacationing on the East Coast this week.

Mr. and Mrs. A. R. Harrington are guests at the 4-H Club Camp at Lake Placid for several days this week.

Buddie Parker is recuperating at his home following a tonsilectomy at Everglades Memorial hospital on Monday of this week.

Mr. and Mrs. Dale Maxwell, who have been honeymooning in Nassau stopped in Pahokee this week for a visit with his parents Mr. and Mrs. Clarence Maxwell while enroute to their home in Lowell, Fla.

Kenny Williamson, who has been visiting his parents Mr. and Mrs. Philo Williamson returned to his home in Chicago Sunday.

Mr. and Mrs. Marvin Cowart and children accompanied by her mother Mrs. J. B. Spooner spent the weekend with their daughter Miss Anita Cowart in Jacksonville.

Mr. and Mrs. H. C. Graham had as weekend guests her aunt Mrs. Pearl Duley and her daughter Mrs. Alma Roepke of Chicago.

Miss Betty Phillips is visiting her grandparents, Mr. and Mrs. J. C. Phillips in Wauchula.

Joe Parker has returned to the Naval Station in Virginia after spending the week end holiday with his parents, Mr. and Mrs. J. P. Parker in Canal Point.

Allen Pope returned to his home here Tuesday from Tylertown, Miss., where he spent several weeks visiting his aunts Miss Lola Pope and Miss Gertrude Pope.

Mrs. Laura Vann and daughter Carolyn, of Jackson, Mich., are the houseguests of her son and daughter-in-law Mr. and Mrs. Earl Vann and daughter Patty.

Mr. and Mrs. Malcolm Rogers and children have returned to Indiantown after visiting her parents Mr. and Mrs. C. M. Baker.

Butch and Robert Phillips, who are spending the summer with their parents, Mr. and Mrs. Jack Phillips in Fairfax, S. C. are visiting their grandparents Dr. and Mrs. L. W. Armstrong this week.

Mrs. T. M. Bullard, of Lupine, Ala., accompanied by her son and daughter-in-law Mr. and Mrs. Hulan Bullard and family of Montgomery, Ala., have returned to their homes after visiting her brother-in-law and sister Mr. and Mrs. Glenn Andrews of Canal Point.

Mrs. Ralph Grimes and sons Cliff, Greg, and Larry have returned from Zellwood where they spent the weekend with her husband who is engaged in the vegetable produce business there.

Mr. and Mrs. Ray Thompson and family and L. W. Thompson attended a Thompson family reunion in Swainsboro, Ga., last week. Mr. Thompson has returned to his home here but Mr. and Mrs. Thompson and family are still visiting relatives in Swainsboro.

Miss Kay Hughes is spending several weeks with her grandmother in Alabama.

Mr. and Mrs. John T. Starling of Jacksonville spent the weekend with her parents Mr. and Mrs. Mitchell Kirk.

Mr. and Mrs. Frank Thompson of Pahokee are vacationing in the Mountains of North Carolina. While there they will visit his brother, Ed, and family who are former residents of Pahokee.

Mr. and Mrs. L. J. Fraser have gone to Houston, Texas, where he will undergo examination at the Methodist Hospital. Mr. Fraser was ill in that hospital several months ago and is going back for a check-up.

Mr. and Mrs. M. D. Geiger and grandsons, Mike and Reed Langford, and Mrs. Evie Keen were week end visitors at Jensen Beach.

Mr. and Mrs. Earl Maxson and son, Mike, spent the week end holiday with friends and relatives in Fort Lauderdale.

Mr. and Mrs. Dick Atkins and sons, Lee and Laine, were the guests of his parents, Mr. and Mrs. J. S. Atkins at Pelican Lake for several days before leaving for Texas where they will make their home. Dick recently completed his hitch with Uncle Sam's Army.

Mr. and Mrs. Donald B. Kepp returned to their home in Canal Point Saturday after 10 days in the mountains of North Carolina. They were accompanied on the trip by his mother Mrs. Leitha Kepp of Wauchula. The Kepps will leave this week for Naples where they will spend their vacation.

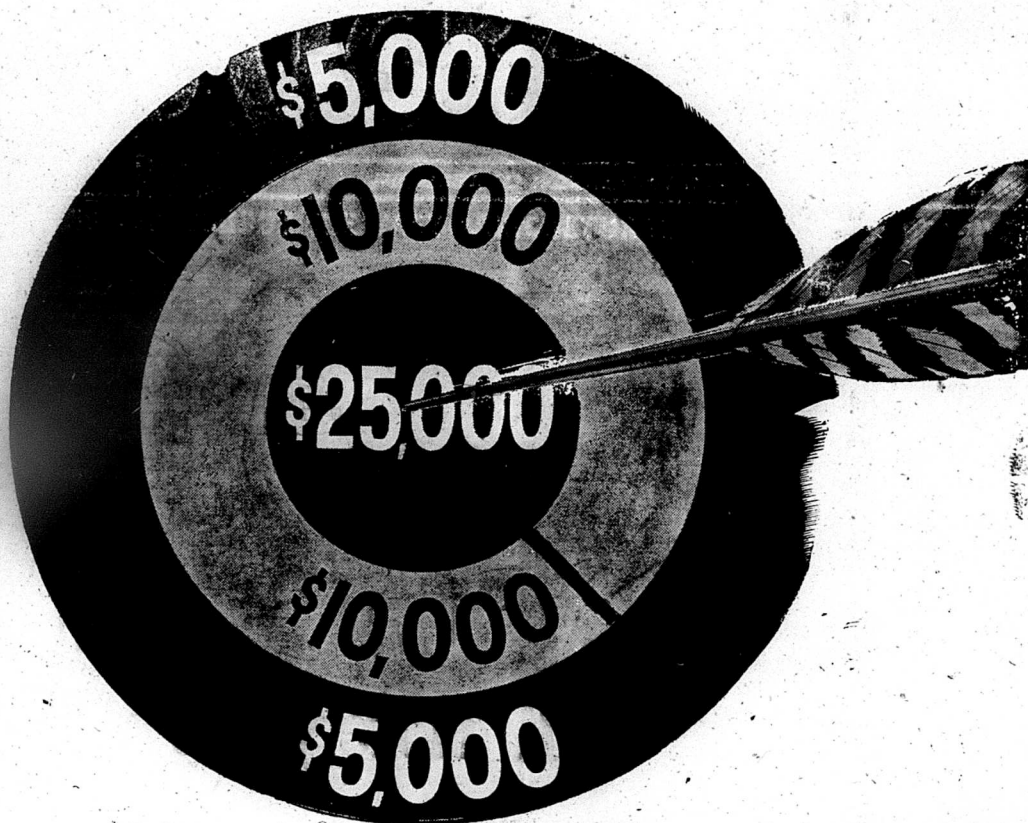

Miss Ann Atkins, surgical nurse at St. Mary's in West Palm Beach, spent the week end holiday with her parents, Mr. and Mrs. J. S. Atkins at Pelican Lake.

Mr. and Mrs. Dow Echols and son Wilbur, of Pelican Lake spent the past week end at Naples with friends and relatives.

Pick your savings target and shoot straight for it!

A home . . . financial security . . . a business of your own. Important savings targets like these cost money—a substantial sum—and more than most of us have. But here's a sure way for you to score a bull's-eye and walk off with the big prize you want.

The secret of saving is system. And the simplest, most automatic saving system ever devised is the Payroll Savings Plan. Best of all, you do more than save through Payroll Savings. You invest your money, too, and make it grow. Here's how it works:

Tell your company pay office how much you want to save each week. Then each pay period that amount will be put aside for you before you have a chance to spend it. Your money will go automatically into U. S. Series E Savings Bonds.

Because Savings Bonds earn good interest—3% compounded semiannually when held to maturity (9 years and 8 months)—they're soon worth much more than you've invested in them. And your Bonds will continue to pay this same good interest as long as 19 years and 8 months. That means a return of up to 80% more than you originally paid.

And remember this. There's no guesswork or chance about the Payroll Savings Plan. It's absolutely safe and sure. Invest just \$7.50 a week. In 5 years you'll have Savings Bonds worth \$2053 in cash; in 10 years, \$4443.

Even if you've never been able to save before, this plan is guaranteed to work for you. So sign up today for Payroll Savings where you work—or invest in Bonds regularly where you bank.

For the big things in your life, be ready with U. S. Savings Bonds

The U. S. Government does not pay for this advertising. The Treasury Department thanks, for their public relations, the Advertising Council and

The Everglades News

PAUL RARDIN, Publisher

*Uncle Sam made the bonds you own
an even better bargain!*

Now your maturing Series E Bonds can earn interest 10 more years at 3%

PRESENT TREASURY REGULATIONS make it possible for you to collect a return of as much as 80% on the Series E Savings Bonds you already own!

For now those Bonds which you invested in 10 years ago can go right on earning interest for ten more years without your doing a thing about it! That is true not only of the Bonds which you have held for ten years, but any other Series E Bonds which you have invested in in the meantime. And any Series E Bonds which you obtain now will also enjoy the extended earning period. They will start earning interest sooner and mature earlier, too, paying 3%, compounded semiannually.

The Bond you got for \$18.75 can now pay you \$33.67 . . . a \$37.50 Bond will be worth \$67.34 . . . and so on.

Of course, any Series E Bond may still be redeemed at any time after you have held it for two months. But, like any other form of saving, your Bonds will mean a great deal

more to you if you can hold on to them.

Are you one of the millions of Americans who are saving regularly with Savings Bonds through the Payroll Savings Plan? If you're not, why not start now? Invest regularly in Bonds through the Payroll Savings Plan where you work. Ask your pay office to save as little as 25c a week for you, or as much as you are able.

If you can save just \$5 a week regularly through the Plan, in five years you will have \$1,367.90 . . . in 9 years and 8 months, you'll have \$2,850.70 . . . and in 19 years and 8 months, \$6,872.45! This Plan is one sure way to save because it saves something out of every check before you have a chance to spend it.

So join the Payroll Savings Plan where you work today. Or, if you are self-employed, start the Bond-A-Month Plan where you bank. It's safe, it's sure, it's automatic. And you will be helping yourself and your country!

If you want to be paid
your interest as current income—
invest in 3% Series H

If you want a good, sound investment which pays you your interest by check every six months, ask at your bank about United States Government Series H Bonds. Series H is a new current income Bond available in denominations of \$500 to \$10,000. Redeemable at par after 6 months and on 30 days' notice. Matures in 9 years and 8 months and pays an average 2% interest per annum if held to maturity. Interest paid semiannually by Treasury check. Series H may be purchased at any bank, annual limit \$30,000.

Now even better! Invest more in Savings Bonds!

a castle in the air costs nothing
—but you can't live in it!

Make your dream house come true! It's easy
—through Payroll Savings!

If you think you can't own the home of your dreams because the down payment's too steep, chances are you've never tried the Payroll Savings Plan. Because this is the easy, automatic way to meet any down payment—for a house or any large purchase.

Just do this: Sign a Payroll Savings application at your pay office; nothing more. And you'll have \$100 added to your savings each week—just as much as you want. After that, you're saving automatically—nothing to worry about, nothing to do. After that, all the money saved out of your pay each week is automatically loaned for you in U.S. Bonds or Savings Bonds.

Because Savings Bonds earn solid interest—3%—cumulative continuously when held to maturity.

—the few dollars saved from your pay each week soon grow into big generous amounts. For instance, if you sign for \$12.50 a week, in just five years you'll have \$3,349.95 cash. In 9 years, 6 months, you'll have \$7,237.20!

So don't let down payments get you down. Meet your needs for ready cash the way more than 8 million other Americans are meeting theirs—join the Payroll Savings Plan today. Or, if you're self-employed, invest in Bonds regularly when you bank. Start now to make your dreams come true!

If you want your interest on savings income, ask your bank about Series H Bonds, which pay dividends annually to Treasury check.

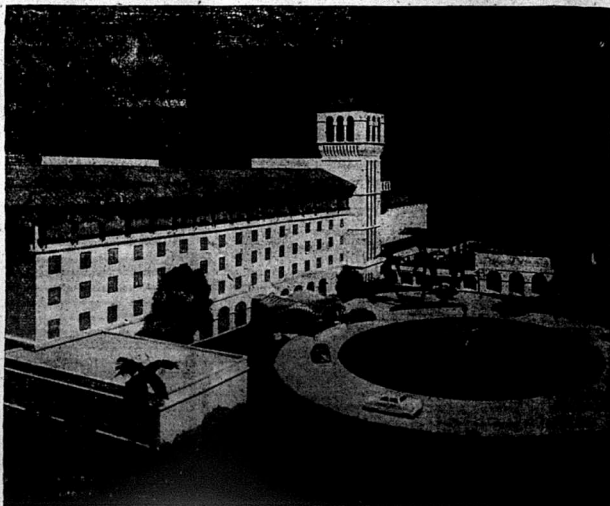

Choose your own savings goal

	If you want approximately		
	\$5,000	\$10,000	\$25,000
Each week for 5 years and 6 months later	\$5.00	\$10.00	\$25.00
Each week for 10 years and 6 months later	\$5.00	\$10.00	\$25.00

This chart shows only a few typical examples of savings goals and the weekly savings needed to reach them. For more information, contact your pay office or the U.S. Treasury Department.

Baptist Hospital Work Progressing

MIAMI—Contractor Robert L. Turchin, whose firm is building the new \$5,500,000 Baptist Hospital in South Miami, reported that construction is moving along at a rapid pace despite the recent rain which has hit the South Florida area.

Turchin said that the huge building project was "enough ahead of its construction schedule" that the week of rain did not put work on the hospital behind schedule.

The Baptist Hospital, built on 55 acres donated by multi-millionaire financier Arthur Vining Davis, is scheduled to receive patients by December 1960. The 304-bed hospital in South Miami is the first of a complete medical unit, which will eventually include a mid-town Miami branch.

Builder Turchin, who has never missed a construction deadline in more than a decade in the South Florida building field, said that "we feel quite confident the hospital will be completed by our target date".

The five story hospital will in-

clude, in addition to its building cost, more than a million dollars worth of the latest medical equipment. The hospital will have a Cardiac Pavilion, a maternity section, orthopedic clinic and an air conditioned treatment center among its facilities.

"With the completion of the Baptist Hospital," Steve McCrimman, administrative director of the Baptist Hospital campaign, said, "the urgent need for more hospital facilities will at least be partially met".

Miss Joy Lewis Weds Dale Maxwell

Miss Joy Lewis, daughter of Mr. and Mrs. D. A. Lewis, Lowell, and Clarence Dale Maxwell, son of Mr. and Mrs. Clarence W. Maxwell, of Pahokee were married in the Reddick Methodist Church, Reddick, Fla., at 3:30 p. m. Sunday, June 21.

The Rev. Albert Joiner, of Auburndale, assisted by the Rev. W. H. C. Stewart, pastor of the Reddick Church, officiated at the double-ring ceremony.

The church altar was banked with palms, schefflera, queen Ann's lace, gladioli, dahlias and daisies and lighted with tapers in candelabra.

The bride given in marriage by her father wore an original gown of hand-clipped Chantilly lace over taffeta. The fitted bodice was fashioned with princess waistline, cap sleeves and portrait neckline set with iridescent sequins and seed pearls. The voluminous skirt worn over a hoop, terminated in a lace cathedral train. Her bracelet-length veil of French illusion was held in place by a Juliet cap of pearls and rhinestones. She wore matching lace mitts and a single strand of pearls, a gift of the bridegroom's mother. She carried a cascade of white carnations and lilies of the valley centered with a white orchid. Miss Charlotte Richardson, of Evinston, maid of honor, wore a bell-shaped length dress of dusk and shell organza. The empire bodice was wash fashioned of lace over cyclamen pink taffeta, and she wore a diminutive fillet of matching organza, matching slippers and white gloves. She carried pink carnations tied with satin ribbons.

Mrs. Herman Grizzard, of Lowell, bridesmatron; Miss Betty Ann Gutschlag, of Jacksonville and Miss Lois McRae, of Boardman, bridesmaids identical gowns to the maid of honor's and carried peppermint striped carnations tied with wine red satin ribbons.

Mr. C. W. Maxwell was his son's best man and ushers were: D. A. Lewis, Jr., brother of the bride, Charles Holmes, of Plant City and David Peppard of Ocala.

A reception followed the ceremony at the Reddick Community Center.

Following a honeymoon in Nassau the newlyweds will make their home in Lowell.

Summer Session P. B. Junior College

Directors of Summer Session of Palm Beach Junior College announces that Home Economics 101, Nutrition will be offered during the final three weeks of the Summer session, July 13 through July 29.

Despite the cancellation of the school lunch training program, if a sufficient number of people are interested in the basic nutrition course, it will be offered. Classes will begin on Monday, July 13 at 8:00 A. M. and meet daily for the three weeks from 8 A. M.-12 A. M. and 1 P. M. to 3 P. M.

The course may be taken for three semester hours of credit or as a non-credit course. The fee will be twenty-seven dollars in either case—credit or non-credit.

All those interested should register for the course on Friday, July 10 at the college from 8 A. M. to 4 P. M.

Plenty New Rooms In State Lodges

TALLAHASSEE — The State Hotel and Restaurant Commission says that lodging space in Florida increased about four per cent during the first six months of 1959. The rate of expansion was about the same as last year.

But seating space in restaurants dropped by 3,856 to a total of 763,594. At the same time restaurants increased by 27.

Commissioner Richard Edgerton said a total of 422,381 rental units are in operation in Florida by motels, hotels, apartment houses and rooming houses. Total number of lodging establishments is 40,054, an increase of 650 over the last six months.

VISIT IN SANFORD

Mrs. Farris Kincaid and daughter Kim are visiting his mother Mrs. Mary Alexander in Sanford this week. Mr. Kincaid is in Gainesville making arrangements to enter the University of Florida at the fall semester. Kincaid graduated last spring from Palm Beach Junior College in West Palm Beach.

Mr. and Mrs. J. L. Humphrey Sr., have returned from Vidalia and Lynos, Ga., where they visited her mother Mrs. H. A. Harville and his brother and sister-in-law Mr. and Mrs. R. L. Humphrey and family.

Mrs. Williams Wed To T. B. Wilson

Mrs. Gertrude E. Williams and Theodore B. Wilson, both of Pahokee, were united in marriage Friday, June 3, at 1 p. m. at the home of the bride. Marriage vows were exchanged at an improvised altar before the fireplace, banked with the gladioli and chrysanthemums, and lighted with blue tapers in candelabra. The Rev. Clare S. Hall, pastor of Pahokee First Methodist Church, officiated.

The bride wore a street-length gown of light blue arnell, with matching accessories. She carried a white prayerbook centered with red roses.

Mrs. Otto R. Bleech, matron of honor, wore a blue print dress of powder puff muslin and carried yellow carnations.

Henry C. Graham was Mr. Wilson's best man.

After the ceremony a three-tier wedding cake decorated with ice blue frosting, was cut and served with punch.

The bride's table was laid with an imported linen cloth and held an arrangement of blue gladioli and chrysanthemums, and blue tapers in candelabra.

Mrs. R. F. Chamberlain, sister-in-law of the bride, was at the bride's table and Mrs. Richard A. Mole, daughter of the bride, was at the punch bowl.

Following a wedding trip in the state and a visit with Mrs. Wilson's sister in Leesburg, Mr. and Mrs. Wilson will make their home in Pahokee. He is an accountant with the Wilson-Merrill Accounting firm in Pahokee and she is associated with Vandegriff-Williams Farms.

Attending the ceremony were: Mr. and Mrs. Peter B. Newton, Miami Springs and Mr. and Mrs. Richard A. Mole and family, of South Bay, sons-in-law and daughters of the bride; Mr. and Mrs. R. F. Chamberlain and family, Mr. and Mrs. H. E. Mathis, Mrs. Charles Baker, Mrs. Julie Kiesel, all of West Palm Beach; Mr. and Mrs. Otto R. Bleech, Mr. and Mrs. Henry C. Graham, The Rev. Clare S.

Hall, Mr. and Mrs. Roy Vandegriff, Sr., Mr. and Mrs. Roy Vandegriff, Jr., Mr. and Mrs. Marvin Vandegriff, Mr. and Mrs. Lavon Bass, Mr. and Mrs. W. E. Blackwell, Mr. and Mrs. Ralph Johnson, Dr. and Mrs. H. F. Potete and Miss Ruth-elle Vandegriff.

Road Map Takes Two Years To Make Trip

A Florida road map mailed to a resident of Quebec, Canada, apparently failed to reach the person for whom it was intended and was returned to the State Road Department.

This may not be particularly surprising, State Road Department officials said, but they are curious about one thing.

The map was mailed to Quebec in 1957—more than two years ago—and was received in the mailing room of the State Road Department July 2, 1959.

TWINS FOR HALLS

Twins sons were born to the Rev. and Mrs. Clare S. Hall Monday night July 6, at Good Samaritan Hospital in West Palm Beach. One weighed five pounds and five ounces and the other five pounds and twelve ounces. The Rev. Hall is the pastor of Pahokee First Methodist Church.

Must Keep Defense On Plant Pests

The necessity for continuous defense against the entry of plant pests into the United States has been driven home with word from Miami that the Medfly twice has been intercepted there in recent weeks by quarantine officials.

Serving as an alarm system against such entry into Florida is the quarantine program of the U. S. Department of Agriculture, backed up by the trapping lines maintained at all strategic points by the USDA and the State Plant Board. No specimen of dangerous fruit fly has been discovered in the trap network since recovery of an adult Mediterranean fruit fly in November, 1957. Larvae of many fruit flies have been found at all ports of entry in the United States, however.

Two of the most recent instances of such finds occurred in Miami when quarantine authorities checked tourists returning from South America with mementos of fruited twigs taken from coffee plants. In each instance, larvae of the Medfly were found in the coffee berries.

The interceptions brought a word of caution from J. Robins Wood, inspector in charge of the USDA plant quarantine office in Miami.

"Travelers should be warned that even small lots of apparently innocuous plant material could be the means of reintroducing the Mediterranean fruit fly or other equally destructive pest," he said.

Wood pointed out that the Medfly probably reached Florida in 1956 through similar movement of fly larva in the baggage of tourists. The last time this happened, he reminded, state and federal governments had to ante up almost \$11,000,000 to eradicate the pest.

In Attendance At 4-H Club Camp

Attending the State 4-H camp at Camp Cloverleaf in Lake Placid this week from Canal Point and Pahokee are: Janet Harrington, Katherine Young and Virginia Nigly, who are counselors at the camp and Nancy Harrington, Josephine Young, Betty Storie, David Rede and Lynn Nicely.

What day is it?

It's "call-and-see-how-the-fish-are-biting" day!

For fast facts on fishing . . . for welcome news from far-off friends and loved ones . . . call Long Distance.

Long Distance Rates are low and you save by calling Station-to-Station.

It's Faster to Call by Number
